## Peabody Home Testimonials

We have often received comments and praise about how different Peabody Home is from other facilities that care for the elderly. We have to admit, that we pride ourselves in striving for quality care and a loving home atmosphere. Recently we decided to start keeping a notebook of expressions of thanks and kind words we have received from our residents, their families and friends. We would like to share a few with you to give you an idea about how special Peabody Home truly is&hellip;

"&hellip;Thank you so much for all you have done. In my heart I feel your care was beyond the call of duty&hellip;"

"&hellip;You all have a special spot in our hearts. It's such a pleasure to visit and when we are away to know Mom is in safe and loving hands&hellip;"

"&hellip;What a wonderful life she had. What fine care she received! Her family and friends are very grateful for the care and comfort you provided&hellip;"

"&hellip;You have made the transition from "home" to "home" a pleasant and productive experience for my mother. The atmosphere of care and the kindness shown is above and beyond the norm&hellip;"

"&hellip;I will always remember the years she had at Peabody Home and the extremely professional and, quite frankly, loving care that was given her in every way. Again, many thanks to you and the entire staff&hellip;"

"&hellip; I feel the need to tell all of the staff and the Peabody Home that, because of the way you cared for, treated and respected my Nana, I can and do take much comfort in knowing that my Nana's transition to a more peaceful place was done with a genuine love that always seemed to surround her while she resided there. In its truest sense a "home" is somewhere that one feels comfortable and has people around that truly care, understand and are compassionate to the needs of all who reside under this home's roof. I, for one, will never forget how comfortable my Nana and I always felt while there together and for the feeling of solace that you brought to me; I will always and forever thank you all&hellip;"

"&hellip;Both my wife and I would like to thank you for the lovely celebration of our 53rd wedding anniversary. We were both overwhelmed by the generous preparations and shall treasure the memory. It has not been pleasant for us to be apart, but you and your entire staff have made a difficult situation much easier to bear&hellip;"

"&hellip;Thank you and the entire staff of Peabody Home for the excellent care given to our mother while she resided

there. You are all very special to us, just like family!! God bless you all for the good job you do, it truly is a "home away from home"&hellip;"

"&hellip;I cannot find words to tell you all how grateful I am for all of the kindness and patience you showed my mother during her stay at Peabody. Your jobs are so necessary, but difficult at best, and the fact that you do them with warmth and compassion always impressed me! It also relieved the guilt I might have felt for not keeping her at home. Thank you all from the bottom of my heart&hellip;"

"&hellip; I just wanted to take a moment to tell you how comfortable my Dad is feeling about being a part of your family. Although this transition is not easy for anyone, you have smoothed the rough spots in the road by your professional care, sincere interest in him as a person, and your personal contacts with him. These are gifts you each give to those you care for - never forget the power they have to maintain a person's dignity and self-worth&hellip;"
