FOR OUR HOMELIKE SETTING AND RESIDENT-FOCUSED CARE.

Peabody Home would like to thank each person involved in helping us win and on our journey towards Culture Change.

Everyone's contributions aided the re-evaluation of everyday life for our residents as we sought out resident wishes, reorganized tasks/routines and opened our ears and our hearts to the voices and choices of our residents.

We would also like to express our thanks for the many, many letters of congratulations we have received. Everyone's support and good wishes are greatly appreciated.
